RE: Waste Disposal Resolution

Dear Mr. Monsaas:

Thank you for contacting my office in regard to the work performed at your location last week. I appreciate your comments. Many of the points that you make are valid and I apologize for the frustration you feel towards our organization. I agree that we were not thorough in inventorying the waste material located at your site. Consequently, our original quotation did not account for some of the material we later identified while actually performing the work.

I would like to also point out, however, that we provided a line-by-line quote that identified specifically the material we thought was present at the site. I understand that you contacted our office to confirm that the quote "covered everything including packaging and labor". Our reply was affirmative. Packaging, labor and transportation was covered by the original quote for the specific materials identified in the quote.

In retrospect we should have understood that your inquiry was a signal regarding the scope of the work. We regret the misunderstanding. It is our desire to resolve the outstanding waste disposal issue as equitably as possible. Below I have listed the materials we left at your location that were not identified as part of the original quotation. Beside each item I have made comments regarding the circumstances which led to the omission and suggested resolution.

Waste	Notes	Proposed Resolution
<i>Solvent Drums (2-85, 1-35)</i>	<i>Not identified during initial inventory</i>	<i>Will remove all three drums for \$300.00</i>
<i>Zinc Dust</i>	<i>Misrepresented as paint cans</i>	<i>Will remove seven lab packs for \$400.00</i>
<i>Toxic Flammable Lab Packs (Curing and Hardening agents w/ isocyanates)</i>	<i>Not identified during initial inventory</i>	<i>Will remove as part of original quote for paint cans. No charge</i>
<i>Antifreeze</i>	<i>Identified in initial inventory but not quoted</i>	<i>No charge</i>
<i>Latex Paint in Drum</i>	<i>Not identified during initial inventory</i>	<i>Will remove for \$150.00</i>
<i>Oil in Drums</i>	<i>Not identified during initial inventory</i>	<i>Will remove as part of original quote for oil pails. No charge.</i>

<i>Asbestos</i>	<i>Not identified during initial inventory</i>	<i>Will remove two bags for \$90.00</i>
<i>Hydrochloric Acid</i>	<i>Not identified during initial inventory</i>	<i>Will remove for \$110.00</i>
<i>Aerosols</i>	<i>Not identified during initial inventory</i>	<i>Will remove for \$85.00</i>
<i>Materials</i>	<i>Lab Packs Containers</i>	<i>No charge</i>
<i>Labor</i>		<i>No charge</i>

Total to remove all remaining items: \$1,135.00

Should you find the negotiated charges acceptable we will schedule a truck to be at your site tomorrow to remove the remaining items. Please contact my office at your earliest convenience to advise. I can be reached at (253) 288-2804.

Again, on behalf of Safety-Kleen and my staff, I apologize for the frustration we caused you and your organization. Specific operating procedures have been reviewed and reemphasized to all parties involved. We will continue to do everything possible to avoid this kind of situation in the future.

Sincerely,

Gary Burns
